(a) Mutual hereby appoints GRF, and GRF hereby accepts said appointment, as the exclusive managing agent for Mutual. This Agreement will refer to Mutual's property as the "Property".

(f) The parties understand, acknowledge and agree that GRF's appointment under and pursuant to this Agreement and all acts performed by GRF for Mutual hereunder shall be in the capacity of an independent contractor and not as an employee, partner, or other business affiliation with Mutual.

(3) Workers' compensation insurance for its employees in accordance with California law,

(4) A fidelity bond with a minimum limit of Two Million Dollars (\$2,000,000), and

(5) Employer's liability in an amount not less than One Million Dollars (\$1,000,000).

IV COMPENSATION

GRF shall be compensated by Mutual for all services provided in Article III(a) of this Agreement and Exhibit "A", at a starting monthly rate of \$172.03, per unit, and shall be adjusted annually based on the finalized GRF budget.

The foregoing compensation is exclusive of the billable services, as reflected in Exhibit "A", and Service Request Orders (SROs) that Mutual may, from time to time, request (which are billed at the then hourly rate, as set by GRF). To the extent approved by Mutual and GRF, Mutual agrees to pay GRF the hourly rates reflected in Exhibit "B" for those billable services listed in Exhibit "A"; such rates are subject to annual increases upon no less than sixty (60) days written notice to Mutual.

Exhibits "A" & "B" are attached hereto and incorporated into the Agreement by this reference.

V INDEMNIFICATION

Mutual shall indemnify and hold harmless GRF, its directors, officers, agents and employees, from any and all claims for damages or liability resulting from claims of bodily injury, damage or destruction of property, including the loss or use thereof, and any other claim based upon acts performed by GRF in the normal course of performing those services listed in Exhibit "A", including any cause or claim arising directly or indirectly from the terms of this Agreement or from any error, omission, judgment or mistake of fact or law, or for anything which it may do or refrain from doing hereunder, except in cases of criminal acts, fraud, willful misconduct, gross negligence and/or sole negligence by GRF, its directors, officers, agents or employees, or any action that is materially outside the course and scope of the agency relationship contemplated by this Agreement. For clarity, this indemnity requirement shall extend only to actions performed by GRF in

fulfillment of those services identified as "GRF Mutual Administration" or "Finance Department" on Exhibit "A". Mutual shall name GRF as an additional insured on all of Mutual's applicable insurance policies, including, but not limited to, liability, fidelity, directors' and officers', and worker's compensation, to the extent reasonably possible.

GRF shall indemnify and hold harmless Mutual, its directors, officers, agents and employees, from any and all claims for damages or liability resulting from claims of bodily injury, damage or destruction of property, including the loss of use thereof, and any other claims or proceedings asserted or brought against Mutual, its directors, officers, agents or employees, by any third party arising from GRF, its directors', officers' agents' or employee's criminal acts, fraud, willful misconduct, gross negligence and/or sole negligence, or any action that is outside of the course and scope of the agency relationship with Mutual as contemplated under this Agreement.

VI ARBITRATION

Any controversy or claim arising out of, or related to, this Agreement shall be settled by binding arbitration in the County of Orange, State of California. The Parties shall select a mutually agreeable arbitrator. If the Parties cannot agree on an arbitrator within sixty (60) days of the initial request for arbitration by a Party, the dispute shall be submitted to JAMS, Orange County, and an arbitrator shall be designated by JAMS. Judgment on the arbitration award may be entered in any court having competent jurisdiction over the subject matter in the controversy. The prevailing Party shall be awarded reasonable attorney's fees and costs.

Notwithstanding the above, if any controversy or claim arises out of or relates to this Agreement, including, but not limited to, interpretation of this Agreement, obligations of either Party under this Agreement, compensation due to GRF and/or services provided by GRF pursuant to this Agreement, the Parties agree to first attempt in good faith to settle the dispute by mediation administered by a mutually agreed upon mediation provider, prior to the commencement of arbitration. The mediation shall be held in the County of Orange, State of California, with all expenses being shared equally by the Parties. This mediation clause, however, will not deprive the

Parties of any right they may otherwise have to seek provisional injunctive relief through arbitration; the pursuit of, or opposition to, any such relief does not waive the right of the Mutual or GRF to mediation pursuant to this Agreement.

VII GENERAL TERMS

(a) Entire Agreement. The Parties intend this writing as a full expression of their agreement and all negotiations and representations between the parties having been incorporated in this Agreement and supersede any and all prior and existing agreements. No variation, modification, or changes of this Agreement shall be binding or effective unless made in writing and executed by both parties hereto.

(b) Governing Law. This Agreement shall be constructed and interpreted in accordance with the laws of the State of California.

(c) Severability. Each paragraph of this Agreement shall be considered as separate and divisible. In the event any paragraph of this Agreement is held to be invalid, void, or unenforceable by a court of competent jurisdiction, the remaining paragraphs shall continue in full force and effect without being impaired or otherwise invalidated.

(d) Counterparts. This agreement may be executed in counterparts.

(e) No Assignment. GRF shall not assign or transfer any of its interest, rights or obligations under this Agreement, without the express written consent of both Parties to the Agreement; however, GRF may assignment its obligation to perform services under this Agreement to a third party so long as any such assignment does not increase costs to Mutual or result in a decline in service, either quantity or quality.

(f) Legal Advice. Each Party has received independent legal advice from its attorneys with respect to the advisability of executing this Agreement and the meaning of the provisions hereof. The Parties acknowledge and agree that all of the terms and provisions of this Agreement have been expressly negotiated and agreed to at arm's length by parties of relatively equal bargaining power, and that the provisions of this Agreement shall be construed as to the fair meaning and not for or against

any Party based upon any attribution of such Party as the sole source or drafter of the language in question.

(g) Time of the Essence. Time shall be of the essence as to all dates and times of performance.

(h) Remedies Cumulative. All remedies, rights, undertakings, obligations, and agreements contained in this Agreement shall be cumulative, and none of them shall be in limitation of any other remedy, right, undertaking, obligation or agreement of either Party.
